## WHAT?

The Prem Jain Memorial Trust invites you to participate in **Waste Material Recycling Installation Challenge**. Installation is a medium of expression, a contemporary way of looking at art in a three-dimensional format. In this challenge, we are expecting participants to use any type of waste materials including plastic, paper, metal, fabric or scrap (anything you can recycle) and put it together into an installation, wall hung mural or any form of art. Let your creativity soar and explore your inner Green warrior.
