WHAT?

Prem Jain Memorial Trust invites you to be a part of **REPURPOSING & UP-CYCLING FASHION CHALLENGE**

Upcycling is the process of converting old or discarded clothes, house hold items or any materials into something useful and often beautiful. Repurposing and Upcycling Challenge is a means to use your hidden creativity and a reminder to reduce the carbon footprint you are creating on the planet. Let your creative juices flow and rethink and reimagine the old as new —maybe even better than it once was! You don't have to be a designer or artist, just someone who loves your beautiful planet and has a cool and original idea to share, this is your chance to do your bit!

- One person can send in multiple designs, so get going with upcycling and repurposing!
- Explain your design details and share the concept as well.
- Send "before" and "after" photo of your submissions
- Be original and break all stereotypes
