## WHAT?

The Prem Jain Memorial Trust invites you to participate in **SUSTAINABLE ART CHALLENGE**. This initiative seeks to capture the imagination and creativity of ART enthusiasts by recycling or reusing materials and found objects. This competition is meant to raise awareness about environmental issues important to people and to inspire others to take action through your creative expression. As a creative individual, you see this world in your unique way that others may not. We need your voice, perception and participation. So collect your thoughts and create a unique work that inspires others to Sustain Our World.
